Subject: Latest draft of RDX

Hi Sue,

I've attached the latest draft of RDX for you to look through. It should be good to review through all of chapter 1 (though some formatting errors were introduced and chapter 1 is now chapters 1 & 2. I made some minor changes to the sections you've already reviewed. **Deliberative Process / Ex. 5**
Deliberative Process / Ex. 5 which isn't much different than in previous drafts. There are still a few comment bubbles with questions to you, but not many. You may want to hold off on repro-dev until after Monday.

Deliberative Process / Ex. 5 I'll start on that some this weekend and Monday.

I figure we can touch base Monday afternoon or Tuesday on next steps?
